NOTICE OF MOTION TO DISMISS

TO ALL PARTIES AND THEIR COUNSEL OF RECORD:

PLEASE TAKE NOTICE that on February 13, 2026 at 10:00 a.m., or as soon thereafter as counsel may be heard, before the Honorable Charles R. Breyer, in Courtroom No. 6, on the 17th Floor of the San Francisco Courthouse for the above-entitled Court, located at 450 Golden Gate Avenue, San Francisco, CA 94102, Defendants Uber Technologies, Inc., Rasier, LLC, and Rasier-CA, LLC (collectively, “Uber”) will, and hereby do, move this Court for an order dismissing without prejudice the claims of the above-listed Plaintiffs on the grounds that Plaintiffs have failed to prosecute their cases and have failed to comply with Pretrial Order No. 5.

This Motion is made pursuant to Pretrial Order No. 5 (ECF No. 175) and Rules 16(f)(1)(C), 37(b)(2)(A)(v), and 41(b) of the Federal Rules of Civil Procedure. This Motion is based on this Notice; the attached Memorandum of Points and Authorities; the concurrently filed Declaration of Michael B. Shortnacy; the concurrently filed Proposed Order; all evidence, pleadings, and papers filed herewith; the entire file in this coordinated action; any Reply that may be filed in support of this Motion; and any other arguments or evidence that may be presented to the Court in support of this Motion.

Dated: December 31, 2025

STATEMENT OF RELIEF SOUGHT

The Court should dismiss the Plaintiffs' cases at issue in this Motion, without prejudice, for failing to produce a bona fide ride receipt or an information sheet regarding the trip giving rise to their claims in violation of Pretrial Order No. 5 ("PTO 5").

MEMORANDUM OF POINTS AND AUTHORITIES

This multidistrict litigation (the “MDL”) was created to “promote the just and efficient conduct” of the hundreds of cases pending before the Court. 28 U.S.C. § 1407(a). To have any hope of achieving that goal, “the district judge must establish schedules with firm cutoff dates” for compliance. *In re Phenylpropanolamine (PPA) Prods. Liab. Litig.*, 460 F.3d 1217, 1232 (9th Cir. 2006). PTO 5 did precisely that. That order required each Plaintiff within the MDL on or before February 1, 2024 to produce a bona fide ride receipt from an Uber trip connected to the alleged incident by February 15, 2024. PTO 5 at 2, ECF 175. If such a receipt was not readily available, PTO 5 required each Plaintiff to provide information to help identify the ride or an explanation as to why it was not readily ascertainable by that same February 2024 date. *Id.* at 2-3. For cases filed in, removed to, or transferred to the MDL after February 1, 2024, Plaintiffs were required to produce a ride receipt or ride information within 14 days of joining the MDL. *Id.* at 3. The Plaintiffs at issue in this motion have not produced ride receipts or information despite the passing of the deadline to do so more than a month ago. Ex. A to Declaration of Michael B. Shortnacy (“Shortnacy Decl.”) (identifying Plaintiffs at issue in this Motion and their missed deadlines). In all cases, the Plaintiffs in Exhibit A to the Declaration have been sent notice of their non-compliance with PTO 5 through a written Delinquency Notice, but have failed to either respond within the thirty days provided in the Notice or cure their non-compliance by producing a ride receipt or ride information.

Plaintiffs' violation of the Court's order impairs Uber's ability to defend itself in this MDL and prepare for trial. *See Comput. Task Grp, Inc. v. Brotby*, 364 F.3d 1112, 1116 (9th Cir. 2004). "Failure to produce discovery documents is sufficient prejudice... to support dismissal." *Goulatte v. Cnty. of Riverside*, 587 F. App'x 374, 375 (9th Cir. 2014). And the prejudice is even more "substantial" because this is multidistrict litigation, where Uber faces "time pressure" to investigate thousands of

1 claims. *In re Guidant Corp. Implantable Defibrillators Prods. Liab. Litig.*, 496 F.3d 863, 867 (8th Cir.
 2 2007).

3 Uber thus proposes that the Court issue an order dismissing without prejudice the Plaintiffs'
 4 cases at issue in this motion for failing to comply with the requirements of PTO 5. This order is
 5 warranted given Plaintiffs' disregard of their discovery obligations. It is also consistent with—and
 6 arguably more lenient than—the decisions of several other courts that have been presented with similar
 7 failures to produce discovery. *See, e.g., Drumgoole v. Am. Airlines, Inc.*, 316 F. App'x 606, 607 (9th
 8 Cir. 2009) (affirming dismissal for failure to prosecute in part because plaintiff failed to respond to
 9 discovery); *In re PPA*, 460 F.3d at 1232–34 (affirming dismissal with prejudice of MDL cases for
 10 failure to submit plaintiff's fact sheets); *Doe v. Tapang*, No. 18-cv-07721-NC, 2020 WL 13499905,
 11 at *4 (N.D. Cal. Jan. 28, 2020) (ordering dismissal with prejudice in part due to failure to produce
 12 discovery); *Briseno v. Saratoga Pizza Corp.*, No. C 08-00873 JW, 2009 WL 10695148, at *4 (N.D.
 13 Cal. June 5, 2009) (same); *In re Bextra & Celebrex Mktg. Sales Pracs. & Prods. Liab. Litig.*, No. 05-
 14 CV-01699CRB, 2007 WL 136625, at *2 (N.D. Cal. Jan. 12, 2007) (Breyer, J.) (ordering dismissal of
 15 MDL cases with prejudice for failure to submit plaintiff's fact sheets and produce required discovery);
 16 *Nwatulegwu v. Boehringer Ingelheim Pharms., Inc.*, 668 F. App'x 173, 173–75 (7th Cir. 2016)
 17 (affirming dismissal with prejudice of MDL plaintiffs who failed to comply with pretrial order
 18 requiring production of medical and pharmacy records); *In re Asbestos Prods. Liab. Litig. (No. VI)*,
 19 718 F.3d 236, 240 (3d Cir. 2013) (affirming dismissal with prejudice of MDL plaintiffs who failed to
 20 comply with pretrial order requiring production of specific histories of plaintiffs' exposure to
 21 asbestos).

22 BACKGROUND

23 The Plaintiffs in this MDL allege that, after they or someone on their behalf used the Uber App
 24 to arrange for rides, Plaintiffs were connected with an independent driver who injured them by
 25 committing sexual assault or other sexual misconduct. Pretrial Order No. 1 at 1, ECF 2. On
 26 December 28, 2023, this Court entered PTO 5 and encouraged the parties to “to coordinate discovery
 27 to the maximum extent feasible to promote the efficient and speedy resolution of this MDL.” PTO 5
 28

1 at 2, ECF 175. PTO 5 was expressly “binding on all parties and their counsel in all cases currently
 2 pending in or subsequently added” to this MDL. *Id.* As relevant here, PTO 5 stated that:

3 All Plaintiffs must produce to Defendants a bona fide ride receipt from an
 4 Uber trip connected to the alleged incident by February 15, 2024. For those cases
 5 where a receipt is not readily available, Plaintiffs’ counsel must disclose to
 6 Defendants: (1) why the receipt is unavailable; (2) the name, phone number, and
 7 email address of the accountholder who ordered the ride; (3) the date of the ride,
 8 with as much precision as is reasonably possible; (4) the starting location and
 9 ending location of the ride, with as much precision as is reasonably possible; (5)
 10 any other basic information that may assist Defendants in identifying the ride; and
 11 (6) if items (2) through (5) cannot be provided with precision or cannot be provided
 12 at all, an explanation as to why the information is not readily ascertainable.

13 The February 15 deadline shall apply only to cases currently pending in this
 14 MDL and those cases that are directly filed in this Court, removed to this Court, or
 15 transferred to the MDL on or before February 1, 2024. For any case that is filed in,
 16 removed to, or transferred to the MDL after February 1, 2024, the plaintiff must
 17 produce the above information to Defendants within 14 days of the case being filed
 18 in, removed to, or transferred to this Court.

19 *Id.* at 2-3.

20 As of December 31, 2025, well beyond their production deadlines, the Plaintiffs at issue in this
 21 motion still have not produced ride receipts or required ride information. Exhibit A to the Declaration
 22 of Michael B. Shortnacy sets forth the missed deadlines for each of these Plaintiffs. All have failed to
 23 comply or even seek an extension. In addition, all Plaintiffs have been given notice of their failure to
 24 timely produce ride receipts or information and an opportunity to cure. All Plaintiffs were sent a
 25 written Notice of Delinquency, warning Plaintiffs of their failure to timely produce ride receipts or
 26 information and giving them thirty days to respond. None of these Plaintiffs responded or produced
 27 ride receipts or ride information. Uber now moves to dismiss these Plaintiffs’ cases without prejudice.

ARGUMENT

28 Federal Rule of Civil Procedure 41(b) empowers a court to dismiss a plaintiff’s case for failure
 29 to comply with a court order. Federal Rule of Civil Procedure 37(b)(2) likewise provides a court with
 30 the authority to dismiss an action for failure “to obey an order to provide or permit discovery.” Fed.
 31 R. Civ. P. 37(b)(2)(A)(v); *see also* Fed. R. Civ. P. 16(f)(1)(C) (“On motion or on its own, the court
 32 may issue any just orders, including those authorized by Rule 37(b)(2)(A)(ii)-(vii), if a party or its

1 attorney . . . fails to obey a scheduling or other pretrial order.”). Pursuant to both Rule 41(b) and Rule
 2 37(b)(2), dismissal without prejudice of Plaintiffs’ claims is justified here.

3 **I. THE CLAIMS OF THE PLAINTIFFS AT ISSUE SHOULD BE DISMISSED
 4 WITHOUT PREJUDICE PURSUANT TO RULE 41(B).**

5 Uber moves for dismissal of Plaintiffs’ claims under Rule 41(b) on the basis of Plaintiffs’
 6 continued non-compliance with PTO 5. When deciding whether to dismiss a case for non-compliance
 7 with a court order under Rule 41(b), a district court considers five factors: “(1) the public’s interest in
 8 expeditious resolution of litigation; (2) the court’s need to manage its docket; (3) the risk of prejudice
 9 to the defendants; (4) the public policy favoring the disposition of cases on their merits; and (5) the
 10 availability of less drastic sanctions.” *Malone v. U.S. Postal Serv.*, 833 F.2d 128, 130 (9th Cir. 1987)
 11 (quoting *Thompson v. Hous. Auth. of L.A.*, 782 F.2d 829, 831 (9th Cir. 1986) (per curiam)). These
 12 factors favor dismissal of Plaintiffs’ claims without prejudice.

13 **A. The First Two *Malone* Factors: The Public Interest in Expedited Resolution of
 14 Litigation and the Court’s Need to Manage Its Docket Support Dismissal.**

15 The first factor, the public’s interest in expeditious resolution of the litigation, “always favors
 16 dismissal.” *Pagtalunan v. Galaza*, 291 F.3d 639, 642 (9th Cir. 2002) (citation omitted). The factor is
 17 especially weighty in a situation such as this one, where Plaintiffs have not produced ride receipts or
 18 information more than a month after they were originally due, despite notice following their respective
 19 deficiencies.

20 The second factor, the Court’s need to manage its docket, also strongly supports granting
 21 dismissal without prejudice. Adherence to orders like PTO 5 is particularly important in an MDL,
 22 where there are hundreds or thousands of individual cases to manage, and non-compliance “unfairly
 23 divert[s] the time and attention of the court away” from Plaintiffs who are diligently pursuing their
 24 claims. *In re Guidant*, 496 F.3d at 867. The “district judge must establish schedules with firm cutoff
 25 dates if the coordinated cases are to move in a diligent fashion toward resolution by motion, settlement,
 26 or trial.” *In re PPA*, 460 F.3d at 1232; *accord Nwatulegwu*, 668 F. App’x at 175 (“Strict adherence to
 27 case management orders is necessary to manage multidistrict litigation, and our sister circuits have

1 affirmed dismissals with prejudice based on noncompliance with discovery deadlines.” (internal
 2 citation omitted)). It is uncontested that here, as in cases like *In re PPA* and *In re Bextra*, Plaintiffs
 3 have failed to comply with the Court’s order mandating production of ride receipts or information by
 4 February 15, 2024, or within 14 days of joining the MDL. The first two *Malone* factors consequently
 5 weigh in favor of dismissing Plaintiffs’ claims without prejudice.

6 **B. The Third *Malone* Factor: Plaintiffs’ Violation of PTO 5 Has Prejudiced and**
 7 **Continues to Prejudice Uber.**

8 A defendant is prejudiced when “the plaintiff’s actions impair the defendant’s ability to go to
 9 trial or threaten to interfere with the rightful decision of the case.” *In re PPA*, 460 F.3d at 1227 (quoting
 10 *Adriana Int’l Corp. v. Thoeren*, 913 F.2d 1406, 1412 (9th Cir. 1990)). “Failure to produce documents
 11 as ordered . . . is considered sufficient prejudice” to justify dismissal. *Adriana Int’l Corp.*, 913 F.2d at
 12 1412; *see also Goulatte*, 587 F. App’x at 375;

13 Plaintiffs’ failure to comply with PTO 5 prejudices Uber in this multidistrict litigation. The
 14 ride receipts Plaintiffs were ordered to produce are necessary to provide the most basic information
 15 about where and when the incidents that support Plaintiffs’ claim occurred. To defend itself, Uber
 16 needs to know at a minimum the basis on which Plaintiffs are seeking relief. *Amatrone v. Champion*,
 17 No. 15-cv-01356-JST, 2017 WL 4618671, at *4 (N.D. Cal. Oct. 16, 2017). Without this information,
 18 it is impossible for Uber to prepare for trial. *See Comput. Task Grp*, 364 F.3d at 1116. Uber needs time
 19 to meaningfully follow up on this information and incorporate it into its litigation strategy, *Payne v.*
 20 *Exxon Corp.*, 121 F.3d 503, 508 (9th Cir. 1997), for instance by confirming that the ride actually
 21 occurred in its systems. This is especially true in this multidistrict litigation where Uber faces “time
 22 pressure” to investigate over 2,800 claims; the prejudice from Plaintiffs’ failure to comply with PTO
 23 5 is particularly substantial. *In re Guidant*, 496 F.3d at 867. And with every additional day of Plaintiffs’
 24 noncompliance, Uber has faced a growing risk of “loss of evidence and memory . . . factors that are
 25 aggravated by the complexity of this litigation.” *In re Bextra*, 2007 WL 3022241 at *1. In addition,
 26 Uber has been prejudiced by the increased costs and burdens of litigation from having to repeatedly
 27 remind Plaintiffs of their court-ordered obligation to produce this basic information, monitoring

1 productions for thousands of plaintiffs, preparing Notices of Delinquency, and engaging in motion
 2 practice. *See Mendoza v. Garcia*, No. 10-cv-03910-MEJ, 2017 WL 6210603, at *12 (N.D. Cal. May
 3 2017).

4 In short, Plaintiffs' failure to produce the required ride receipts or information has substantially
 5 prejudiced Uber by depriving it of basic information necessary to investigate any defense and forcing
 6 it to reallocate resources to enforce a court order Plaintiffs should have complied with long ago.
 7 Dismissing Plaintiffs' cases without prejudice is a justified consequence.

8 C. **The Fourth Malone Factor: Given Their Extraordinary Noncompliance, Plaintiffs**
 9 **Should Be Denied the Benefit of the Public Policy Favoring Disposition on the**
Merits.

10 A “case that is stalled or unreasonably delayed by a party’s failure to comply with deadlines
 11 and discovery obligations cannot move forward toward resolution on the merits.” *In re PPA*, 460 F.3d
 12 at 1228. These cases cannot be litigated or tried while Plaintiffs continue to refuse to follow the Court’s
 13 order to produce ride receipts or information. Hence, the preference for resolving cases on the merits
 14 does not weigh in Plaintiffs’ favor. *In re Bextra*, 2007 WL 3022241 at *1 (preference for resolving
 15 cases on the merits did “not weigh in favor of plaintiffs at all” due to failure to comply with court
 16 orders).

17 D. **The Fifth Malone Factor: There Are No Less Drastic Sanctions Available.**

18 The Court must consider the availability of alternative sanctions when deciding whether to
 19 dismiss a case for non-compliance with court orders. *Malone*, 833 F.2d at 131–32. But that does not
 20 mean the court must somehow exhaust every possible alternative before ordering dismissal.
Henderson v. Duncan, 779 F.2d 1421, 1424 (9th Cir. 1986).

22 In the past, Plaintiffs have attempted to avoid the sanction of dismissal by proffering excuses
 23 for their failure to comply with this Court’s orders. *See, e.g.*, ECF No. 3605 at 1; ECF 3610 at 4. But
 24 courts have rejected such excuses, including “the difficulty in locating clients, the debilitating nature
 25 of the injuries at issue, and the burden of complying with other case management orders.” *In re PPA*,
 26 460 F.3d at 1233; *see also In re Deepwater Horizon*, 907 F.3d 232, 234 (5th Cir. 2018) (plaintiffs’
 27 counsel argued “they were having technical filing issues, and that they had ‘clients that [were] out of

1 town, out of the country, or working offshore and unable to respond to counsel.”” (alterations in
 2 original) (citation omitted)). In particular, Plaintiffs have previously argued that their compliance
 3 should be excused where individual Plaintiffs are deceased or incarcerated, but this is not the case. *See*
 4 Fed. R. Civ. P. 25 (absent timely substitution, “the action by or against the decedent must be
 5 dismissed”); *Rodgers v. Alameda Cnty. Soc. Servs. Agency*, Nos. C-98-3760 VRW & C-00-4470
 6 VRW, 2001 WL 58966, at *1 (N.D. Cal. Jan. 12, 2001) (incarceration “does not excuse plaintiff’s
 7 obligations to prosecute [the] case and comply with the federal rules of civil procedure”). MDL courts
 8 frequently dismiss plaintiffs’ claims with prejudice notwithstanding their excuses for noncompliance.
 9 *E.g.*, *In re Bextra*, 2007 WL 136625, at *2; *In re Gen. Motors LLC Ignition Switch Litig.*,
 10 No. 14-MD-2543 (JMF), 2019 WL 12048517 (S.D.N.Y. Sept. 9, 2019), at *2. These orders are
 11 regularly affirmed on appeal. *E.g.*, *In re PPA*, 460 F.3d at 1232–34; *In re Taxotere (Docetaxel) Prods.*
 12 *Liab. Litig.*, 966 F.3d 351 (5th Cir. 2020); *In re Guidant*, 496 F.3d at 865–66. Here, Uber only asks
 13 for the less drastic sanction of dismissal without prejudice.

14 Moreover, dismissal is warranted because all Plaintiffs at issue in this motion have been
 15 warned, in writing, of their noncompliance with this Court’s order to produce ride receipts or ride
 16 information. *See Jackson v. U.S.*, 116 F.3d 484, 484 (9th Cir. 1997). All Plaintiffs received a written
 17 Delinquency Notice informing them of the missed deadline and giving them an additional thirty days
 18 to produce ride receipts or ride information or otherwise respond, but none of them did so. Courts have
 19 recognized that dismissal is an appropriate remedy where a party has previously been warned about
 20 its non-compliance with a court order and still failed to comply. *Degrelle v. Simon Wiesenthal Ctr.*,
 21 883 F.2d 1023, 1023 (9th Cir. 1989); *Hilton v. Pagani Worldwide LLC*, No. 19-cv-01848-VC, 2020
 22 WL 2528935, at *4 (N.D. Cal. April 16, 2020).

23 In sum, because of Plaintiffs’ repeated and continued disregard for this Court’s order, the
 24 *Malone* factors weigh in favor of dismissing Plaintiffs’ cases without prejudice under Rule 41(b). *See*
 25 *In re PPA*, 460 F.3d at 1232–34; *In re Taxotere*, 966 F.3d at 354; *In re Guidant*, 496 F.3d at 865–66;
 26 *In re Bextra*, 2007 WL 136625, at *2. A different ruling would endorse Plaintiffs’ non-compliance
 27 and impede the efficient resolution of the cases in this multidistrict litigation.

1 **II. PLAINTIFFS' WILLFUL VIOLATION OF PTO 5 WARRANTS DISMISSAL
WITHOUT PREJUDICE UNDER RULE 37(B)(2).**

2 “The standards governing dismissal for failure to obey a court order are basically the same
3 under either” Rule 41(b) or Rule 37(b)(2). *Malone*, 833 F.2d at 130. “Rule 37 sanctions, including
4 dismissal, may be imposed where the violation [of a court order] is ‘due to willfulness, bad faith, or
5 fault of the party.’” *In re PPA*, 460 F.3d at 1233 (quoting *Fair Hous. of Marin v. Combs*, 285 F.3d
6 899, 905 (9th Cir. 2002)). “Disobedient conduct not shown to be outside the litigant’s control meets
7 this standard.” *Id.* (quoting *Fair Hous.*, 285 F.3d at 905). The Plaintiffs at issue in this motion have
8 willfully violated PTO 5, by failing to submit ride receipts or other permissible information as required
9 by PTO 5, despite being on notice of their respective deficiencies and having been given an
10 opportunity to cure, and Plaintiffs have not demonstrated that it was impossible for them to comply.
11 Dismissal without prejudice is thus warranted under Rule 37. See *In re PPA*, 460 F.3d at 1232–34.

12 **CONCLUSION**

13 The Court clearly notified Plaintiffs of their obligation to produce ride receipts or ride
14 information in PTO 5. Despite this notice, and subsequent notice in the form of a Delinquency Notice,
15 Plaintiffs have still failed to provide the Court-ordered discovery and have prejudiced Uber in the
16 process. This Court should take the same approach as other MDL courts and dismiss these Plaintiffs’
17 claims without prejudice.
